Why need for Specialized Seminar on Livestock Insurance?

Under the leadership of **Hon'ble Prime Minister Sh. Narendra Modi** the initiative taken by the present Government is to double the farmers income in India by 2022. To achieve this multi modal focus on all farming activities is proposed with special emphasis on Allied Agricultural activities such as veterinary. etc

As the growth of Crop/ Agriculture income has limitation therefore thinking which has emerged is that farmers/ rural population should go in for more and more of:

- Dairy Farming
- Poultry farming
- Fishery
- Rearing of Goat/ Sheep
- Bee Keeping
- Silk worm production

In 2019, a separate Department of Animal Husbandry & Dairying was created in the Ministry of Fisheries, Animal Husbandry and Dairying.

We intend to have this important seminar to discuss the importance of livestock Insurance which is a must for supporting our farmers/ families having livestock as means for livelihood.

Target Audience will comprise of :

- Officials of Ministry of Animal Husbandry (Govt. of India)
- Officials of Ministry of Animal Husbandry (State Govt.)
- Officials & Scientists of National Dairy Research Institute, Karnal
- Banks/ NBFC/ Micro Finance Institutions providing livestock loans
- Insurance companies issuing Livestock (cattle) Insurance policies
- Insurance Broking Firms selling Livestock (cattle) Insurance policies
- Senior Management & Officials from Milk Producer Co-operative Societies Like: Amul, Saras, Vita, Vijaya etc.
- Service Providers engaged in Tagging of animals
- Surveyors
- Technology Companies working towards taking Livestock Insurance to next level, when India emerges as 5 Trillion US $ economy.

Points to be covered in the Seminar are:

- Livestock Risk - Should Livestock Insurance be made mandatory?
- Quality of animals can be improved with investment through loans
- Investment & improvement of Veterinary infrastructure is needed in a big way to support the farmers
- Product innovation is needed in Insurance
- What can we learn from other countries?
- Availability of cheaper, sufficient loans is essential for growth of this part of our economy.

Why Farmers need Livestock Insurance?

Importance of Livestock Insurance is increasing as more and more loans are being provided by Banks/ NBFC /Micro Finance Companies for increasing the income of Farmers, marginal farmers in all parts of the country. Insurance of Live Stock for market value paid by the farmer is important to protect his family in the eventuality of death of animal ..

Who Should Attend the Seminar (Target Participants)?

This is a good opportunity of management/ officials:

- Owners of Cattle, Poultry Farms, Sheep Farms Goat and Pig farms
- Development Officers working at District/ Tehsil level
- Officials working in Departments of the Ministry of Animal Husbandry at national and state level
- Managers and employees of insurance and Reinsurance companies
- Banks/ NBFC/ Micro Finance institutions providing credit for purchase of livestock
- Technology Companies working on claim settlement of Insurance
- Brokers
- Consultants
- Students of Veterinary Colleges

- Product/ Service providers connected with growth of this segment of our economy.

What you can expect from the Seminar?

Realize the difficulties being faced by Farmers, possible solutions/ understand Government thought process and growth potential of this great sector.

Some Key Take Away for Various Stake Holders will be:

- Understanding of the Needs of Farmers which will result in growth of dairy farming, fisheries, poultry farming, bee keeping & silk worm production
- Important Issues in Livestock Insurance
- Availability of credit supported with Insurance can result in growth
- Role of Technology in monitoring of Claims

About the Organizers:

Insurance Foundation of India

Insurance Foundation of India (IFI) is set up under Trust Registration Act 1882 of Government of India as a Not for Profit Organization. The main objective of IFI is capacity building and promoting awareness of Insurance among people. IFI has successfully organized various Executive Development Programmes/ Skill development Programmes of International standards in India with world-class faculty.

Under CSR project supported by PNB MetLife India Insurance Company Ltd we produced a Film "**Khushiyon Ki Suraksha**" for spreading awareness of insurance in rural areas. It is available on **https://www.youtube.com/watch?v=hzbADuIcWuU**

Our project "**Bima Jagrukta Abhiyan**" has been awarded Skoch Award as one of the 100 top Projects undertaken in India during 2016.We are approved under 80G of the Income Tax Act 1961. IFI will be pleased to be associated with CSR Project to be undertaken by you.

The best part of the Training Programmes being organized by us is that faculty comprises of those, who have up to date knowledge of working in Insurance Companies, Insurance Brokerage Firms, Insurance Surveyors & Loss Assessors, Law Firms or Insurance Buyers. This results in the sharing of practical and up to date knowledge by all stakeholders and hence up gradation of the skill in Indian Insurance Industry. This aspect is being highly appreciated in Social Media on global basis and now Insurance Foundation of India is rated as the top NGO in Insurance Training in the country and that too without Government support

Recently we had a Full Day In-house Training

Programme on Artificial Intelligence in Insurance Industry held on 23 September, 2019 at Mumbai for SBI General & SBI Life.

Insurance Foundation of India successfully conducted 3 Days International In house Training Programme on "**Property and Marine Insurance**" from 29 June - 01 July 2019 in Dhaka, Bangladesh. This was organized for Senior Management of Green Delta Insurance Company, Bangladesh. This was also attended by Private Insurance Companies from Bangladesh and Brokers from Malaysia.

In association with Professional Advancement Bangladesh Ltd. (PABL) and Green Delta Insurance Co. Ltd., Insurance Foundation of India successfully organized 2 Days Programme in Dhaka (Bangladesh) on 26 - 27 Feb 2019 on "**Transmitting Global Knowledge for Promoting Crop Insurance in Bangladesh**".

Our 2 Days Extensive International Training Programme on "**Crop Insurance**" on 19 - 20 Nov. 2018 in New Delhi was a great success and was extensively covered in social media. There was a tremendous response from Foreign Regulator, Insurance Companies, Insurance Brokerage Firms, State Government Agriculture Ministry Officials (who buy insurance), Micro Finance Companies, Reinsurers, Media, Agricultural Analysts, Technology Companies. In addition to participants from all over India we had the proud privilege of having participants from all over India and from various countries such as Jordan, Kenya, Sri Lanka and Nepal.
